Penny here, penny there.. and what do you have?

Benjamin Franklin discussed the value of money best, with quotes like.

"Watch your pennies and the dollars will take care of themselves."

"A penny saved is a penny earned."
Simple statements. Understood by most.

However, children today lack understanding of these most basic financial fundamentals.
Today, ACCESS is working hard to correct that.

Last year we launched "Mastering Money Basics" for grades K-5 and it was absolutely amazing.

Like sponges the children soaked up this program.

Take a moment --- read what is happening --- enjoy :)

Click here to read & see pictures of the kids from last year's event.
Thank you for your time...
