

Cell Phone Identity Theft on the Rise

August 12, 2016 - You've probably never thought of cell phones as a method for crooks to steal your identity. But it is a growing trend nationally and it is a fairly simple crime to commit. More importantly, it is just as simple to prevent this kind of ID theft. The following video from NBC is well worth watching. It covers the methods criminals use to commit this crime and how you can protect yourself.
